TIME SETTING

Before setting the time please check that chronograph is not working.

- 1) Pull out the crown when second hand is at 12 o'clock position. The second hand will stop.
- 2) Turn the crown to set the hour minute and 24 hour hands to the desired time. As the hour hands moves, the 24 hour hand moves correspondingly. When setting the hour hand check that 24 hour hand is set properly, otherwise the chronograph hands will move.
- 3) Push the crown to regular position.
